GRADUATES OF 2024!

SESSION OPTIONS &
QUESTIONS ANSWERED...READ ON!

YOU MAY BE ASKING...

1. WHAT SHOULD I EXPECT?
2. WHAT DO I WEAR?
3. WHAT DO I BRING TO MY SESSION?
4. WHAT MAKES MY SESSION UNIQUE?
5. WHAT PACKAGE IS BEST FOR US?
6. WHAT IF PICS MAKE ME ANXIOUS?
7. WHAT IF THE WEATHER IS BAD?
8. WHAT HAPPENS AFTER THE SHOOT?

I know that your senior year is filled with plenty of (stressful!) decisions - your pics should be the least of your worries! I am committed to keeping this simple. We'll cover all your questions - before your session, the day of your session, and what happens afterwards!

BEFORE YOUR SESSION

What locations will we use?

Your photographer will know all the best spots on the farm for the particular time of day and season. You will have access to our full 70 acres of beauty - forests, ponds, meadows, wildflowers, barns, & orchards. Unlike a park, we have a modern-rustic studio to retreat to between outdoor locations. (think dressing room! bathroom!)

What's the best time for photos?

The hour after sunset or before sunset has glowing, flattering light. Choose one of our longer session options for access to our golden hour time blocks!

What should I wear?

Bring clothes that make you feel like yourself. There are dozens of Pinterest boards out there to help you get ideas. We will start your session in the studio where you can set up your clothing, accessories, etc, and you will have a mirror for makeup and hair touch ups. Professional hair and make-up is something that a few seniors choose, but we will make you look your best regardless. And don't let a facial blemish stress you - those are easily removed in editing after your session. :)

WHAT SHOULD I BRING?

There is no pressure to bring anything but yourself (and any clothing changes you want!)

But you are welcome to make your session unique by including items that represent you- we've photographed seniors with their instruments, truck, varsity jackets, sketch pads, sports items, favorite books, art supplies, motorcycle, and a vintage typewriter!

WHO CAN JOIN ME?

Your family or pet is welcome!

We encourage you to get a few photos with a parent, sibling or friend!

We also love dogs!! Note: please keep dogs leashed if you are unsure about their behavior around farm animals. :)

2024

ON THE DAY OF YOUR SESSION

We've talked about preparing for your session - Let's talk about what to expect the day of your session!

LET'S DO IT!

WEATHER CONCERNS

We will be keeping a careful eye on the weather leading up to your session. If it is too hot, cold, windy, rainy, or muddy we can reschedule your session. We will be in contact via text if that needs to happen! We save space in our calendar to reschedule when needed.

FEELING NERVOUS?

You are not alone - so many people feel uncomfortable or anxious in front of a camera! But don't worry. Our photographers are experts at helping you get comfortable, giving you tips on posing, and making sure you have a fun photo session. Our clients tell us again and again that they are so grateful for our relaxed setting and style!

Most seniors say they were surprised by how much they enjoyed the process!

WE ABSOLUTELY LOVED OUR SESSION
WITH YOU! YOU WERE SO WELCOMING
AND EASY GOING - IT MADE THE SESSION
SO INCREDIBLY EASY AND ENJOYABLE!
SERIOUSLY THE BEST PROFESSIONAL
PHOTO SESSION I HAVE HAD.

FOLLOWING YOUR SESSION

What happens after my session?

About 2 weeks after your session you will get an email letting you know your images are ready for viewing. Select a time for a short online zoom call with Aubreii, and she will show you your gallery, help you select images to download, explain how to use your print credit and answer any of your questions. She will also help you properly size and send the image of your choice to your yearbook.

What products do you offer?

We offer leather signature albums for guest to sign at your grad party, wall prints, small gift prints, and graduation announcement/invitation cards. If you wish to place an order for anything, we will help you do that after your session.

What does my session come with?

Your package comes with a number of full sized digital images that you will download (number varies by package). Your package does not contain any physical products or prints, but you will have a print credit that you can apply to any print orders you wish to place after your session. Print orders are not required!

Are my images going to be edited?

Yup! Your images will have lighting, cropping and color adjustments along with detailed facial touch up on any images you select. Edits we do not do are body sculpting, or wardrobe or makeup changes :)

TESTIMONIALS

THE LAND AND YOUR STUDIO WERE PERFECT- EXACTLY WHAT WE WERE LOOKING FOR... I COULD LIVE IN YOUR STUDIO!
JAMIE

I DON'T FEEL VERY COMFORTABLE IN FRONT OF THE CAMERA, BUT I DID NOT FEEL THAT WHEN WORKING WITH YOU.
NATALIA

YOUR ABILITY TO GET PHOTOS OF MY SON THAT LOOKED COMFORTABLE (AND HAD HIM SMILING!) WAS GREAT. HE IS AUTISTIC AND TYPICALLY DOES NOT LIKE PHOTOS AND BEING IN THE SPOTLIGHT.
